## Local Department.

Glass Fruit Jars for sale at J. N. Bishop's.

GRATE BARS—Suitable for wood or sawdust, for sale at the Foundry, near the Ironton depot.

When ordering goods by Express from St. Louis always direct shippers to forward by Iron Mountain Railroad Express.

W. H. Delano, Esq., brought to our office, on Monday last week, an apple tree twig, 12 inches long, which contained 14 apples.

WANTED!—100 Cords of Wood, at \$2.50 per Cord. WM. P. McCARVER, West Main St., Ironton, Mo.

WANTED—A young person as country working housekeeper. Apply by letter to F. H. Post Office, Ironton, Missouri, U. S. America.

WANTED—A good girl to cook, wash and iron; also, a boy to attend to a horse and cow, and make himself generally useful about the house. Apply to Mrs. Bakewell, Ironton, Mo.

Our old friend, P. H. Jaquith, Esq., of Pilot Knob, has sent to the Normal Museum, at Cape Girardeau, one hundred walking sticks, each one made of a different variety of wood found in this county.

Superintendent R. D. Shannon speaks in complimentary terms of the schools of Southeast Missouri. He instances particularly the schools of De Soto, Ironton and Charleston for the progress made in education.

The Brass Band will give a Grand Fourth of July Ball at the American Hotel next Monday evening. The invitations have been issued. Tickets, per couple, \$1.00. Ice-cream, cake, etc., will be furnished to those desiring, by Mr. Hotson.

The next session of the Normal School will open Sept. 1st. Our teachers should avail themselves of the advantages of the Normal to improve their qualifications to teach. Address the Principal, C. H. DUTCHER, Cape Girardeau, Mo.

Jas. D. Fox, of Madison county, was nominated for Judge of the 20th Circuit, on the 100th ballot, at Ste. Genevieve, last Thursday. Judge Nicholson, of Perry, F. M. Carter, of St. Francois, and Harry Shaw of Ste. Genevieve, were his competitors.

Mr. Wiesner, of the drug-store, showed us two eggs, yesterday, the "fruit" of an ordinary sized hen, the larger of which measured in circumference, 7 1/2 by 6 1/2 inches. The other measured 3/4 of an inch less each way, and the two weighed within a fraction of a half pound.

Robt. Hotson desires us to tell the public generally that he will hereafter, during the season of 1880, have Ice-Cream on hand for sale at his restaurant, every day and night of the week, except Sunday. He will furnish this delicacy by the plate, quart or gallon—in the larger quantities, at very low rates. He will also keep a supply of the various fruits of the season. Restaurant, south side courthouse square.

Our fellow-townsmen, F. Osterle, Esq., is deservedly popular as a restaurateur. He can furnish a well prepared and tempting meal at short notice, and at reasonable charges. He, also, on stated days, dispenses ice-cream to the heated wayfarers of the city, and at all times furnishes lemonade, soda, etc., and sweetens the whole with a lot of confectionaries. Ice-cream next Sunday afternoon and evening, by the dish or quart.

Last Friday the brass band was summoned to attend a Hancock and English ratification meeting at Farmington. The band went and a splendid time did the boys have of it. Our columns are too crowded to give a detailed account of the affair. Suffice it to say that the ratification was a success. We returned by moonlight, sleepy, but all full of enthusiasm for our good friends of Farmington. They are a large-hearted, hospitable people; and may rest assured that we shall not soon forget their many kind acts.

MARRIED.—In the M. E. Church, of Fredericktown, Mo., on Tuesday, June 15th, 1880, by Rev. C. O. Jones, Mr. JOHN E. EDWARDS, to Miss ADDIE MOSS, late of Kansas City.

We do not know that we can add to John's felicity by anything we may say; yet we cannot forbear expressing our good-will to him and all that to him appertains. May he and his new-made wife live long and prosper; and may their declining years be rendered happy in the contemplation of a household of younger Edwardes. Long life, health, happiness, and children—what more can we wish them!

Hewitt Greason, Esq., last Saturday presented us with a specimen bunch of wheat grown on the Greason farm, which beats anything we have ever seen in this section. The heads are five inches long and well filled with fine plump grains. It is of the Clawson variety, and is the third crop grew by him—starting in 1878 with a few quarts sent from the distribution office in Washington. This year the crop consists of eighteen acres, averaging 25 bushels to the acre. We understand Mr. Greason will dispose of it as seed wheat at a reasonable price.

PERSONALS.—J. Ed. F. Edwards and bride are in town on a visit to relatives.

Mrs. L. Landeau returned to her home in the city Sunday, accompanied by her mother, Mrs. T. Lopez.

Miss Bakewell left Sunday for St. Louis, to visit friends and relatives.

Mrs. Belle Moser returned to her home Monday, after an absence of several weeks visiting friends in Illinois.

Mr. and Mrs. M. Dezure, of Fredericktown, were in town this week visiting friends.

Misses Minna and Dina Dirker, of St. Louis, are stopping at the American Hotel.

Miss Nannie Edwards returned from Fredericktown Saturday, whither she had gone to witness the marriage of her cousin, Mr. J. Ed. F. Edwards to Miss A. Moss.

Miss Ida Garner, of St. Louis, is the guest of Miss Pressa Whitworth.

Mr. and Mrs. Geo. Kelly, of Poplar Bluff, Mo., came up Saturday. Mrs. Kelley will remain during the summer.

Mr. and Mrs. Nicolls and family, of De Soto, were in town last week.

Miss Louise Schmidt, returned home Saturday.

Last Thursday night, about eleven o'clock, a chap who was a stranger and filled to the brim with benzine, got into a quarrel with some colored "boys" on Main street, and for a short time the air was alive with emphatic tones from his luxuriant throat valve, which was pulled wide open. Deputy Marshal Hill heard the fuss and went out to quiet him down. But the stranger wouldn't be quieted, and when the Marshal attempted his arrest, blazed away with a pistol at the minion of the law. The contents of the revolver missed its mark by a close shave, and the stranger took to his heels. But the Deputy summoned his chief, and they took the trail and followed it with such effect that before daylight the offender was safely housed in the county hotel. Next day he was tried before Judge Dinger and fined in suitable sum.

SHOOTING IN BELLEVUE.—Last Thursday Bellevue was the scene of one of those occurrences which occasionally disturb the even tenor of communities, no matter how well regulated and orderly they may be. A man named Jacob Moyer had a quarrel with a sixteen year old son of Wm. Buford, the cause of which we have not learned. During the controversy Moyer told the boy, "If you were a man, or I was a boy, I would whip you!" and other hard words were passed. After the quarrel young Buford armed himself with a shotgun and laid in wait for Moyer, who presently came riding by. Buford let him have the contents of the gun, which was loaded with buckshot. Some of the shot struck Moyer in the leg and breast, and at the present writing he is laid up with serious wounds—though his recovery is probable. Buford disappeared immediately after the shooting, and has not been seen since.

## From Des Arc.

Des Arc, Mo., June 26th, 1880.

## Ed. Register—

In the first place I must say, Hurrah for Hancock! Des Arc is solid for him. I heard a gentleman say yesterday that he had voted the Republican ticket all his life, but that he was a soldier in Hancock's division and he could not go back on his General.

Jas. Buford, Esq., attacked Isaacville (better known as Vulcan), last Tuesday, from one of the surrounding heights, and commenced shelling the town. The shells fell so thick and fast that the white flag was soon hoisted and the garrison surrendered. He came in and mounted a log and made a speech. He said he was not for war, but for peace. Mr. Buford spent night and day with us, and left with the hope of getting at least one-half of Vulcan's votes, which number 51.

A dark cloud passed here last week in the shape of regular soldiers. I think it an imposition branding and clothing these blacks, when one hundred good white soldiers would whip a regiment of them, and the Government knows it. The battles around Richmond prove how they run at the sound of artillery and the smell of gunpowder. There are enough of white men to protect our Government without employing the negro; the cotton field is what God made him for.

## A Card from Hon. J. W. Berryman.

ARCADIA, June 7, 1880.  
FELLOW CITIZENS OF IRON COUNTY: As you will see by reference to another column in this issue, I have again submitted myself to your consideration for the office of Representative of Iron county. This determination has not been hastily arrived at; but was formed after deliberate reflection, and frequent earnest solicitations from friends in every part of our county. To say that I appreciate your magnanimity in the past, puts it but mildly. I feel that of the honor conferred upon me and confidence reposed in me; and I feel a happy satisfaction in knowing I was diligent in performing, to the extent of my ability, the duties assigned me. But to the point: Owing to my business connections with Mr. Crain, Supl. of P. K. Iron Works, it will be very inconvenient for me to make a thorough canvass of the county; nor, gentlemen, do I believe you demand it of me. My record as your Representative in the 30th General Assembly is before you, and I willingly submit the question to your disposal, whether or not I am competent and worthy to represent you a second time in the General Assembly of the great State of Missouri, with this unqualified assurance from me, that should you decide affirmatively that "decision" shall never be a reproach to you. With kindest regards,  
Your friend and ob't serv't,  
J. W. BERRYMAN.

## The Judicial Convention.

Convention was called to order at 2:30 o'clock p. m., Monday, June 23, 1880, by Col. Jas. A. Greason, Chairman Executive Committee of the 25th Judicial Circuit of Missouri. Judge J. L. Januare and J. S. Jordan. Iron county—F. Dinger, Jos. L. Stephens and E. D. Ake.

Moved that each county be entitled to cast the vote given to Tilden in 1876. Adopted.

On motion, the roll of counties was called for nominations for Circuit Judge.

Jefferson county—Hon. Sam. Byrns nominated J. L. Thomas. Washington county—seconded the nomination. Reynolds and Iron also seconded the same.

On motion, Jno. L. Thomas was nominated by acclamation.

On motion, the Chair appointed a committee of one from each county to wait upon the nominee and inform him of his nomination, viz: F. Harris, of Washington; Horne, of Jefferson; R. I. Januare, of Reynolds; and Judge Dinger, of Iron.

The committee presented Hon. Jno. L. Thomas as the nominee, who returned thanks to them for the evidence of confidence in his integrity and ability.

Judge Dinger, being present, responded to repeated calls, with a few remarks commendatory of the choice of the Convention.

He was followed by Hon. Sam. Byrns with a few non-political remarks.

Col. Jno. P. O'Fallon being called upon, also addressed the Convention commendatory of the nomination of the Convention, and upon national politics.

Moved that each delegation select a member of Central Committee, whereupon the following names were presented to the Convention, and upon motion they were declared elected: Jefferson county—Jno. O'Fallon. Washington county—Jno. P. Bugg. Reynolds county—E. D. Ake.

Moved that the proceedings of this Convention be published in the IRON COUNTY REGISTER and other Democratic papers of the 25th Judicial Circuit.
